## Meet us at ISK-SODEX 2019 in Istanbul

Teams of the Eurovent units are at your disposal throughout all exhibition days

**From 2 to 5 October 2019, the Eurovent Association, Eurovent Middle East, and Eurovent Certita Certification are going to be at ISK-SODEX 2019 – one of the largest international exhibitions for HVACR, Pumps, Valves, Fittings, Water Treatment, and Insulation. Eurovent will be at your disposal for requests concerning legislation, standardisation, certification, and general industry developments.**

### Eurovent Association (EA) and Eurovent Middle East (EME)

The Association Team members Andrea, Francesco, and Stijn will be at the exhibition. To request a meeting, simply send them an email or call them on their mobile phone. Click on the following link to find their contact details: [https://eurovent.eu/?q=about\\_us/team](https://eurovent.eu/?q=about_us/team)

For a meeting with Eurovent Middle East, please get in touch with Markus Lattner via [markus.lattner@eurovent.me](mailto:markus.lattner@eurovent.me) or call +43 660 4012050.

### 2020 EUROVENTSUMMIT

The organisers of the 2020 **EUROVENTSUMMIT** invite all ISK-SODEX participants to visit the joint ISKID/Eurovent stand F12 in Hall 10-12 Foyer to learn more about the event.

Don't miss the unique opportunity to participate in the **SUMMITDRAW**. Leave your business card in the box at the joint ISKID/Eurovent stand for the chance to win two VIP tickets to the 2020 **EUROVENTSUMMIT** in Antalya. The winner will be announced on our LinkedIn page: [www.linkedin.com/company/eurovent](http://www.linkedin.com/company/eurovent).

Are you interested in supporting the 2020 **EUROVENTSUMMIT**? Contact the Lead Organiser Andrea Gasparova, who will be present during the entire course of the exhibition, to request a meeting via [andrea.gasparova@eurovent.eu](mailto:andrea.gasparova@eurovent.eu) or call +420 775 770 33.

### Eurovent Certita Certification (ECC)

The 'Eurovent Certified Performance' programmes of our independent subunit Eurovent Certita Certification are a global benchmark in the HVACR sector. You can find our colleagues from ECC at ISK-SODEX in Hall 2, stand A31.

### ECC presentation on 3 October

Eurovent Certita Certification, Copilot, and ProdBIM have combined their expertise to offer a De-Risk solution for Heating, Ventilation, Air Conditioning and Refrigeration (HVACR) that guarantees building risks management all along its life cycle, building performance management, and building digitalised data management according to commissioning processes.

ECC Representative & Regulatory Affairs Manager Hüseyin Yüksel will hold a presentation focused on third-party confidence for building projects on 3 October from 15:15-15:35h in the 11 Hall Forum Area.

### Follow our activities on LinkedIn

Updates on the activities of our Team at ISK-SODEX will be published on the Eurovent Association's LinkedIn page throughout the show. Remember to follow us via [www.linkedin.com/company/eurovent](http://www.linkedin.com/company/eurovent).
