## **Mikropor has joined Eurovent as its newest member**

**Brussels, Ankara, 09 November 2023. Mikropor has formally joined Eurovent as a Corresponding Member. With this newest member, the Eurovent family grows by one of Türkiye’s leading HVAC manufacturers.**

Mikropor, established in 1987, is one of the leading Turkish manufacturers of atmospheric air filtration solutions and compressed air treatment systems for a variety of industries. Mikropor is an environmentally conscious company which expands its global penetration in the field of technological filtration and contributes to a healthier planet.

Following the membership approval, Mr Mert Ustununal, Product Development Specialist at Mikropor stated: “We as Mikropor are very excited for the opportunity to have joined Eurovent as a Corresponding Member and thank the Eurovent Board for their approval of our membership. We have been taking part in Eurovent activities, but now have decided to take it one step further by becoming a Corresponding Member. This will give us an opportunity to work even closer with all the manufacturers and people who have dedicated a lot of time and effort to Eurovent as well as the HVAC air filtration industry.”

Is your organisation interested in becoming a member of our globally known industry association? All relevant information is available at [www.eurovent.eu](http://www.eurovent.eu). In case of any questions, contact the Eurovent Team via [secretariat@eurovent.eu](mailto:secretariat@eurovent.eu).

## About Eurovent

Eurovent is Europe's Industry Association for Indoor Climate (HVAC), Process Cooling, and Food Cold Chain Technologies. Its members from throughout Europe represent more than 1.000 organisations, the majority small and medium-sized manufacturers. Based on objective and verifiable data, these account for a combined annual turnover of more than 30bn EUR, employing around 150.000 people within the association's geographic area. This makes Eurovent one of the largest cross-regional industry committees of its kind. The organisation's activities are based on highly valued democratic decision-making principles, ensuring a level playing field for the entire industry independent from organisation sizes or membership fees.

## Our Member Associations

Our Member Associations are major national sector associations from Europe that represent manufacturers in the area of Indoor Climate (HVAC), Process Cooling, Food Cold Chain, and Industrial Ventilation technologies.

The more than 1.000 manufacturers within our network (Eurovent 'Affiliated Manufacturers' and 'Corresponding Members') are represented in Eurovent activities in a democratic and transparent manner.
