## **LENNOX EMEA joins Eurovent as Corresponding Member**

**Brussels, Mions, 25 June 2024. Eurovent has welcomed one of the leading HVACR solution providers, LENNOX EMEA, as a new member. LENNOX EMEA's membership significantly expands Eurovent's base, supporting its goal of a level playing field in the industry.**

With over 60 years of experience in Europe, the Middle East and Africa, LENNOX EMEA has solidified its position as a trusted provider of HVAC and refrigeration solutions. Distinguished by its three renowned brands - Lennox, Friga-Bohn, and HK Refrigeration - the company remains committed to addressing tomorrow's challenges and ensuring ongoing business success.

Upon its membership approval, Mr Laurent Segneri, Director of Engineering and R&D at LENNOX EMEA, announced that: "We are thrilled to join Eurovent, in particular the Product Group 'Rooftop Units', and to contribute to shaping the future of HVAC. Rooftop solutions are in our company's DNA. We are proud to be part of this initiative and look forward to collaborating to develop the future together."

## About Eurovent

Eurovent is Europe's Industry Association for Indoor Climate (HVAC), Process Cooling, and Food Cold Chain Technologies. Its members from throughout Europe represent more than 1.000 organisations, the majority small and medium-sized manufacturers. Based on objective and verifiable data, these account for a combined annual turnover of more than 30bn EUR, employing around 150.000 people within the association's geographic area. This makes Eurovent one of the largest cross-regional industry committees of its kind. The organisation's activities are based on highly valued democratic decision-making principles, ensuring a level playing field for the entire industry independent from organisation sizes or membership fees.

## Our Member Associations

Our Member Associations are major national sector associations from Europe that represent manufacturers in the area of Indoor Climate (HVAC), Process Cooling, Food Cold Chain, and Industrial Ventilation technologies.

The more than 1.000 manufacturers within our network (Eurovent 'Affiliated Manufacturers' and 'Corresponding Members') are represented in Eurovent activities in a democratic and transparent manner.
