IMBAT joins Eurovent as newest Member

Brussels, Izmir, 17 October 2023. IMBAT, one of Türkiye's leading manufacturers of rooftop units, water chillers and close control units, has been formally approved to join the Eurovent family during a recent meeting of the association's Board of Directors.

Since 1991, IMBAT has been one of Türkiye's market leaders in developing solutions in air conditioning and food refrigeration areas by manufacturing energy-efficient products such as rooftop units, cold storage devices, air conditioners and water chillers. In addition to its headquarters located in Izmir, the manufacturer also operates in more than 50 countries through its export network.

Following the approval of the membership, Mr Arel Arsoy, Deputy General Manager at IMBAT, stated: "We are honoured to become a Corresponding Member of Eurovent, the European leading association in HVACR industry. This membership was the basic milestone in the globalisation journey of IMBAT, a company following European norms and legislations with over 30 years of experience and knowledge. Together with other players in the industry, it will be easy to present highly efficient, innovative and eco-friendly solutions, in order to create a green future."

Is your organisation interested in becoming a member of our globally known industry association? All relevant information is available at www.eurovent.eu. In case of any questions, contact the Eurovent Team via secretariat@eurovent.eu.

About Eurovent

Eurovent is Europe's Industry Association for Indoor Climate (HVAC), Process Cooling, and Food Cold Chain Technologies. Its members from throughout Europe represent more than 1.000 organisations, the majority small and medium-sized manufacturers. Based on objective and verifiable data, these account for a combined annual turnover of more than 30bn EUR, employing around 150.000 people within the association's geographic area. This makes Eurovent one of the largest cross-regional industry committees of its kind. The organisation's activities are based on highly valued democratic decision-making principles, ensuring a level playing field for the entire industry independent from organisation sizes or membership fees.

Our Member Associations

Our Member Associations are major national sector associations from Europe that represent manufacturers in the area of Indoor Climate (HVAC), Process Cooling, Food Cold Chain, and Industrial Ventilation technologies.

The more than 1.000 manufacturers within our network (Eurovent 'Affiliated Manufacturers' and 'Corresponding Members') are represented in Eurovent activities in a democratic and transparent manner.
