## NIBE joins Eurovent as a new Corresponding Member

Brussels, Markaryd, 30 January 2025. NIBE, a renowned Swedish manufacturer specialising in HVAC systems, has officially joined Eurovent. NIBE's membership brings forth growth within the association's dynamic membership base.

Headquartered in Sweden, NIBE is a global group structured in three business areas. Its *Climate Solutions* area develops and manufactures intelligent, energy-efficient indoor comfort solutions for all types of properties. It combines renewable energy with new smart technology to offer efficient solutions and it has grown into a global group with 21.000 employees on average with a global presence.

Martin Forsen, Manager International Affairs at NIBE, mentioned: "Joining Eurovent as a Corresponding Member marks an exciting milestone in NIBE's journey of growth and innovation. Expanding our product portfolio is a natural step in our commitment to offering sustainable and energy-efficient solutions globally. Becoming an active part of Eurovent allows us to contribute to the association's critical work while benefiting from its extensive expertise and collaboration opportunities. We are both proud and grateful to join this esteemed community and look forward to advancing the future of indoor climate solutions together."
