## **INFRICO Supermarket becomes Eurovent member**

**Brussels, Lucena, 26 October 2023. INFRICO Supermarket has formally joined Eurovent as its newest Corresponding Member. It is one of the leading Spanish manufacturers that provides refrigeration solutions in the HVAC sector.**

INFRICO Supermarket is the new project of the INFRICO Group for commercial refrigeration, dedicated to the world of food retail through the manufacture and sale of refrigerated displays such as remote group and plug-and-play, cold rooms and condensing units, as well as installation and spare parts. It offers a wide range of machinery related to bakery, pastry shops, ice cream parlours, catering and supermarkets.

Mr Victor Manuel Roldan Arroniz, Product and Marketing Director at INFRICO Supermarket, remarked: "We are delighted to become part of the Eurovent family. INFRICO was founded in 1986 and we maintain a clear commitment to the introduction of efficient products in the market with low-gwp refrigerants that help to meet the objectives of reducing carbon dioxide emissions necessary for the care of the environment. In so doing, the application of Ecodesign and Energy Labelling Regulations and compliance with the F-Gas are our main working bases."

He further asserted that "INFRICO Supermarket is in a continuous process of expansion and growth and has the Spanish Origin Certificate (O.E.C) which certifies that its products are manufactured in Spain, making it the first company in the sector to achieve this seal in Spain, after passing its exhaustive auditing process."

## About Eurovent

Eurovent is Europe's Industry Association for Indoor Climate (HVAC), Process Cooling, and Food Cold Chain Technologies. Its members from throughout Europe represent more than 1.000 organisations, the majority small and medium-sized manufacturers. Based on objective and verifiable data, these account for a combined annual turnover of more than 30bn EUR, employing around 150.000 people within the association's geographic area. This makes Eurovent one of the largest cross-regional industry committees of its kind. The organisation's activities are based on highly valued democratic decision-making principles, ensuring a level playing field for the entire industry independent from organisation sizes or membership fees.

## Our Member Associations

Our Member Associations are major national sector associations from Europe that represent manufacturers in the area of Indoor Climate (HVAC), Process Cooling, Food Cold Chain, and Industrial Ventilation technologies.

The more than 1.000 manufacturers within our network (Eurovent 'Affiliated Manufacturers' and 'Corresponding Members') are represented in Eurovent activities in a democratic and transparent manner.
